

"The teacher that we would like to nominate is Ms. Dena Frye. She teaches Physical Ed at D.S Parrott Middle School. She is the Director of Athletics also coaches Middle School Volleyball and Track. The reason I'm nominating Coach Frye is because she is very kind, considerate, and is very connected to her students, always available for advice or help. She is a very upbeat, funny and outgoing, teacher, who has a very close bond with her students, and makes learning a wonderful and entertaining experience for all of us. She is a teacher who we all look forward to seeing every day. She was also my teacher when I was in Middle School! She has a heart of gold and would do anything for anyone. She touches the hearts of many students. She loves being a teacher knowing that she gives the education that Students need."

# DENA FRYE

## Parrott Middle

-As we were walking to the gym to surprise Coach Frye, we passed a few students walking to their next class. They asked, "Is that for Coach Frye?" when we said yes, their response was "Good, she deserves it, whatever it is".
