

# LISA HOPPER

## Moton Elementary

Her students were more than excited to take a picture with their teacher and stated, "She is a great teacher!" Mrs. Ames, her nominator, was also so excited for Mrs. Hopper and gave her a great big hug.

~ HR Team

"Mrs. Hopper has always been a bright light and breath of fresh air, not only to her students, but to the entire staff around her. She is always the first to share ideas with others, along with a wealth of knowledge. She is kind, supportive and abundantly generous to any team she has ever been on. She is a cheerleader for all students success including the many who have been blessed to be taught by her. She continues to check on, support and encourage them in a way that is defined more like family. She is so much more than amazing, she is unforgettable!"

- Shari Benedetti Ames
