

EDGARDO ESCUDERO

Deltona Elementary

Mr. Escudero was so ecstatic to receive his award, and stated what he does “is from the heart”. This recognition almost brought him to tears, and then it almost brought us to tears. It was truly an honor to meet Mr. Escudero and present him with these goodies.

- HR Team

“Mr. Ed is the ESOL para for 3-5 grade at DES. He is a fantastic teacher and goes the extra mile to help his students succeed. He is always ready to help in any way he can, even with students who are not his. He is an incredible role model for all our students and always smiles. Mr. Ed is such an incredible asset to our school and our community. He is always looking for additional resources and ways to help the ESOL population succeed and grow in their education. He has such love and compassion for his students, which is seen daily. He is also ready to run and help with the front office translation needs. He works hard and loves what he does. He always says how energized he is when he gets to work. I am so grateful to have the chance to work with someone that brings so much energy to the school.”
