

# CHARLES BARRETT

## Floyd Elementary

-When we arrived at the P.E. field, Mr. Barrett apologized for keeping his back to us, however he wanted to keep a close eye on his students while they were finishing up a game. This demonstrated his dedication to the student's safety and learning. Upon presenting him with the award, his students all cheered for him.

- HR Team

"He is a pe teacher who creates enthusiasm in his students. All grade levels are quick to learn what he is teaching. To staff and parents, he is there to help anyway he can!"
