

# NANCY JACOBS

Hernando High

--Upon handing her the award she stated, "I never get anything like this!". We were so happy to present her with all the goodies as Mrs. Booker stated it was "well deserved".

- HR Team

"Nancy is a great leader to new teachers and veteran Teachers. She is always available to help and share some of the best materials. Most of all she has a really big heart, and she is always there for you on every level. She is one of the best!"
